24/7 Flood Response, Inc
626 Moss St.
Golden, CO 80401

GAC #: 13627

Congratulations! 24/7 Flood Response, Inc has met the requirements for the General Abatement Contractor certificate, issued by the Colorado Department of Public Health and Environment, Air Pollution Control Division, under the Colorado Asbestos Abatement Certification Program. 24/7 Flood Response, Inc's certificate is enclosed.

24/7 Flood Response, Inc, as a General Abatement Contractor, has the responsibility to ensure that all employees are properly trained and certified when performing asbestos abatement activities in Colorado. Please note that annual refresher training courses are required under Colorado law for all individual certification categories.

The submittal of your application at least 30 days prior to your expiration date of 10/24/2018 will help ensure your Colorado certification does not lapse.

Please, call Heidi Newbold at (303) 692-3158 if you have any questions regarding asbestos abatement certification or your General Abatement Contractor certificate.
